

DT-120 Essence Mechanical Dial Thermostat

Product overview

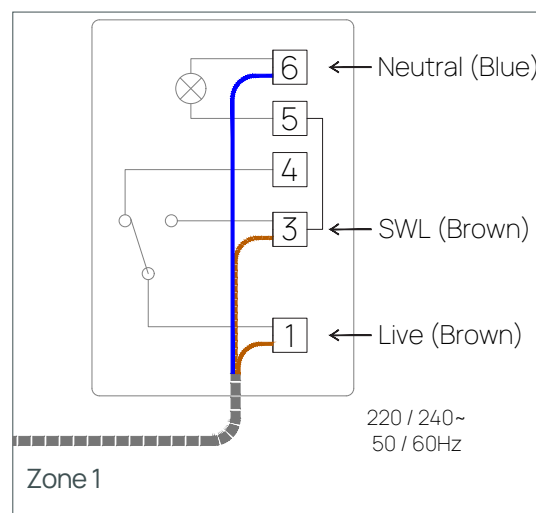

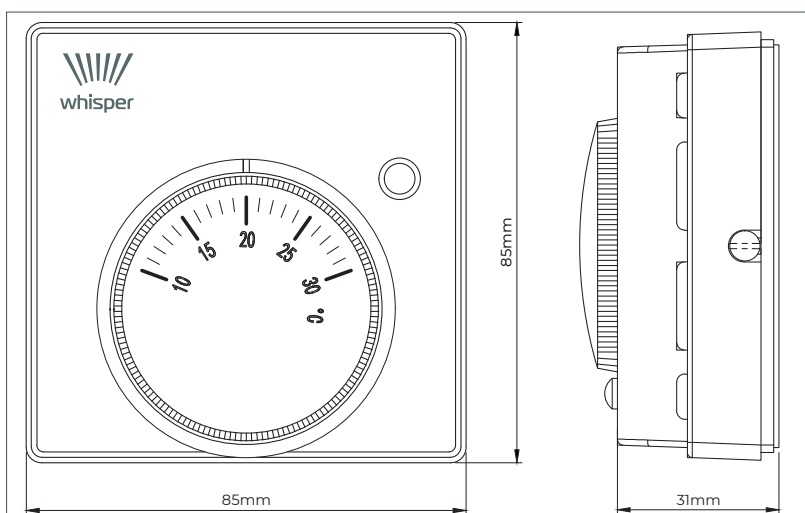

The DT-120 is a basic mechanical dial thermostat for radiant underfloor heating systems. The DT-120 is designed to control single UFH zones.

Low cost replacement option with no remote sensor, NSB function or switching differential.

- Easy adjustment with 1°C increments on mechanical dial
- for accurate temperature control.
- Red LED light to indicate call for heat allows user to confirm thermostat function.
- Surface mounted - no need for recessed back box.

Technical specifications

Item	Dial thermostat	Protection rating	IP20
Product code	CWS ADT1 020	Accuracy	+/-1.5°C
Dimensions	85mm (H) x 85mm (W) x 31mm (D)	Colour	White
Material	ABS plastic	Mounting type	Surface mounted
Weight	150g	Working temp	10 to +30°C
Power consumption	<5W	Voltage	230v
Power rating	10(3)A	Programming	None
		Compliance	EN60730-1, EN60730-2.7
